

## LifeTime Benefit Term

### Life Insurance— Valuable protection for your loved ones

You work hard to provide a good life for your family. However, what if something happened to you? Would your family be able to continue covering expenses you may have today like mortgage payments, childcare, credit card payments, college tuition and other household expenses? What about burial expenses or expenses for long term care like nursing home or assisted living care?

Many families would struggle, especially if the primary wage earner died. And few families are able to afford nursing home care without some type of financial assistance.

LifeTime Benefit Term can help.

## LifeTime Benefit Term Provides You with the Protection Your Family Needs

LifeTime Benefit Term helps protect you and your family if you were no longer able to provide for them. Your family can receive cash benefits paid directly to them upon your death that they can use to help cover expenses like mortgage payments, credit card debt, childcare, college tuition and other household expenses.

Cash benefits can also be paid directly to you while you are living for long term care expenses.

### You Decide How You Want to Use LifeTime Benefit Term Benefits

When you make the promise to protect your family with LifeTime Benefit Term, there are several ways it can work.

#### As Life Insurance

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

#### For Long Term Care\* (LTC)

If you become chronically ill, LifeTime Benefit Term will pay you 4% of your death benefit each month you receive Long Term Care. You can use this money any way you choose, and your life insurance premiums will be waived.

- Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term Care. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero.
- With Extension of Benefits\*, if you continue to need LTC after you have exhausted your Death Benefits, you can receive up to 50 more months of benefits, for a total of 75 months of LTC benefits.

#### Restoration of Your Death Benefit

Ordinarily, accelerating your life coverage for Long Term Care benefits can reduce your death benefit to \$0. While in force, this rider restores your life coverage to not less than 50% of the death benefit on which your LTC benefits were based, not to exceed \$50,000. This rider assures there will be a death benefit available for your beneficiary until you reach age 121.
