INTRODUCTION TO THE UNUM PLAN

WHAT IS THE UNUM PLAN?

The Unum plan provides long term care insurance for you.

WHAT IS LONG TERM CARE INSURANCE?

Long term care insurance gives financial help if you need care as a result of a loss of functional capacity or cognitive impairment.

What is a loss of functional capacity?

A loss of functional capacity means a loss of 2 or more activities of daily living (ADLs) because of a physical or mental incapacity resulting from an injury or a sickness or because of advanced age. Two or more ADL losses must occur while you are insured for long term care insurance.

What is a sickness?

A sickness means illness, disease or physical condition which causes a loss of functional capacity beginning while your insurance is in force and which is not excluded.

What is advanced age?

Advanced age means frailty or debilitation resulting from the aging process which causes a loss of functional capacity or cognitive impairment beginning while your insurance is in force.

What are activities of daily living?

Activities of daily living are the activities you need to do to live independently. They are **BATHING, DRESSING, TOILETING, TRANSFERRING, CONTINENCE, EATING** and **AMBULATING**.

- **BATHING** means cleaning the body using a tub, shower, or sponge bath, including getting a basin of water, managing faucets, getting in and out of tub or shower, and reaching head and body parts for soaping, rinsing, and drying.
- **DRESSING** means putting on, taking off, fastening, and unfastening garments and undergarments and special devices such as back or leg braces, corsets, elastic stockings or garments, and artificial limbs or splints.
- **TOILETING** means getting on and off the toilet or commode and emptying a commode, managing clothing and wiping and cleaning the body after toileting, and using and emptying a bedpan and urinal.
- **TRANSFERRING** means moving from one sitting or lying position to another sitting or lying position; for example, from bed to or from a wheelchair or sofa, coming to a standing position, or repositioning to promote circulation and prevent skin breakdown.

- **CONTINENCE** means the ability to control bowel and bladder as well as use ostomy or catheter receptacles, and apply diapers and disposable barrier pads.
- **EATING** means reaching for, picking up, and grasping a utensil and cup; getting food on a utensil, and bringing food, utensil and cup to mouth; manipulating food on plate; and cleaning face and hands as necessary following meals.
- **AMBULATING** means walking or moving around inside or outside the home regardless of the use of a cane, crutches, or braces.

What is standby assistance?

Standby assistance means that, in the absence of another person's assistance, you would not be able to safely and completely perform an activity of daily living. Stand-by assistance also means that you may need verbal cueing in order to accomplish an activity of daily living or to ensure your safety in accomplishing an activity of daily living.

What is cognitive impairment?

Cognitive impairment means a deterioration or loss in intellectual capacity resulting from advanced age, Alzheimer's disease or similar forms of irreversible dementia.

The extent of your cognitive impairment will be determined by clinical evidence and standardized tests which reliably measure your deterioration or loss in the following areas:

- short or long term memory;
- orientation as to:
 - person (such as who you are);
 - place (such as your location);
 - time (such as day, date and year); and
- deductive or abstract reasoning.

If, because of a deterioration or loss in intellectual capacity, you need another person's assistance or verbal cueing for your own protection or for the protection of others, Unum will consider you to have cognitive impairment.

WHO PAYS FOR LONG TERM CARE INSURANCE?

- If you are an active employee, you and the Sponsoring Organization may share the cost of your coverage under Unum's long term care insurance.
- If you are a family member, you pay the full cost of your coverage under Unum's long term care insurance.

How is the cost determined?

The premium rate to be paid over the duration of your initial coverage or for any increases is based on your insurance age.

The premium rate will not increase because you grow older or because of your use of the benefits. However, the premium rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to Unum's underwriting risk studies under this type of insurance.

How are premiums paid?

- **If you are an active employee and:**
 - the Sponsoring Organization is paying the full cost of your coverage, the premium for your coverage will be remitted by the Sponsoring Organization directly to Unum. The Sponsoring Organization will deduct premiums for your spouse's coverage from each paycheck, or
 - the Sponsoring Organization is sharing the cost of your coverage, the Sponsoring Organization will deduct your share of the premiums for you and your spouse's coverage from each paycheck.

If you leave employment with the Sponsoring Organization, you and your spouse can continue the same coverage you each had under this plan on a direct billing basis. You pay any premium that applies for portable coverage. For more information, see the discussion: "What happens when group long term care insurance ends?".

- **If you are a family member, other than a spouse of an active employee:**

You may have Unum direct bill you or your authorized representative for the premiums. If the Sponsoring Organization ends coverage, you can continue the same coverage you had under this plan. You pay any premium that applies for portable coverage. For more information, see the discussion: "What happens when group long term care insurance ends?".

Is there a grace period?

The Sponsoring Organization, and insured persons who are direct billed, will be allowed a grace period of 45 days after the premium due date for the remittance of each premium amount due. If such premium amount is not remitted within the grace period, coverage will terminate at the end of the grace period.

WILL PREMIUMS BE WAIVED WHILE YOU ARE RECEIVING A MONTHLY PAYMENT?

- **If you are receiving a "Long Term Care Facility" monthly payment:**

When benefits become payable, there will be no more cost for your coverage as long as you continue to:

- have a loss of functional capacity or cognitive impairment; and
- reside in a Long Term Care Facility.

What is a Long Term Care Facility?

A Long Term Care Facility is:

- an institution, or a distinctly separate part of a hospital, that is licensed or certified as a nursing home (if licensing or certification is required) or operates under the law as a nursing home to provide skilled, intermediate or custodial care and operates under state licensing laws and any other laws that apply; or

 - is not, other than incidentally:
 - a home for the mentally retarded, the mentally ill, the blind or the deaf, alcoholics or drug abusers, or
 - a hotel, a domiciliary care home or a residence; or
- a similar institution approved by UNUM.

What is a doctor?

A doctor is a person who is operating within the scope of his/her license, and is either:

- licensed to practice medicine and surgery and prescribe and administer drugs; or
- legally qualified as a medical practitioner and required to be recognized, under this plan for insurance purposes, according to the insurance laws of the governing jurisdiction.

UNUM will consider a person to be a doctor only when the person is performing tasks that are within the limits of the person's medical license.

UNUM will not recognize:

- you, or
- your or your family member's spouse, daughter, son, parent, sister, brother, grandparent or grandchild

as doctors for claims that you make to UNUM for long term care insurance.

- **If you are receiving an "Assisted Living Facility" monthly payment:**

When benefits become payable, there will be no more cost for your coverage as long as you continue to:

- have a loss of functional capacity or cognitive impairment; and
- reside in an Assisted Living Facility.

What is an Assisted Living Facility?

An Assisted Living Facility is:

- an institution that is licensed by the appropriate licensing agency (if licensing is required) to primarily engage in providing ongoing care and services to a minimum of 10 inpatients in one location and operates under state licensing laws and any other laws that apply; or
- any other institution that meets all of the following tests:

 - is authorized to administer medication to patients on the order of a doctor; and

- is not, other than incidentally, a home for the mentally retarded, the mentally ill, the blind or the deaf, a hotel or a home for alcoholics or drug abusers; or

NOTE: These requirements are typically met by assisted living facilities that are either free standing facilities or part of a life care community. In general, they are not met by individual residences, boarding homes or independent living units.

- a similar institution approved by UNUM.
- If your plan includes the "Professional Home Care Services" Option and you are receiving a "Professional Home Care Services" monthly payment:

When benefits become payable, there will be no more cost for your coverage as long as you continue to:

- have a loss of functional capacity or cognitive impairment; and
- receive Professional Home Care Services.

If you do not receive Professional Home Care Services for a period of 30 consecutive days, premium payments will again become due. To continue your coverage, premium payments **must** be resumed on the next premium due date following this 30 day period.

What are Professional Home Care Services?

Professional Home Care Services are:

- visits to your residence by a Home Health Care Provider to provide skilled nursing care; physical, respiratory, occupational, dietary or speech therapy; and homemaker services. Each 1 hour or more per day of a Home Health Care Provider's services will be considered one visit. The services to be provided to you must be in a written plan of care which has been agreed to by you or your authorized representative and the Home Health Care Provider; or
- Adult Day Care provided by:
 - a Home Health Care Provider; or
 - an Adult Day Care Facility which operates under applicable state licensing laws and any other laws that apply; or

- Have established procedures for obtaining appropriate aid in the event of a medical emergency; and
- Provide a range of physical and social support services to adults.

Professional Home Care Services do not include services performed by your family members' spouse, daughter, son, parent, sister, brother, grandparent or grandchild through a Home Health Care Provider or an Adult Day Care Facility.

What is a Home Health Care Provider?

A Home Health Care Provider is:

- an organization which is licensed or certified by the appropriate licensing agency of the state where Professional Home Care Services will be provided;
- certified as a home health care organization as defined under Medicare;
- any other organization that meets all of the following tests:

- If your plan includes the "Total Home Care" Option and you are receiving a "Total Home Care" monthly payment:

When benefits become payable, there will be no more cost for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment.

What is Total Home Care?

Total Home Care provides financial help in case you need care at home or another similar place due to a loss of functional capacity or cognitive impairment.

Care may be provided to you by:

You can apply at any time to change coverage by filling out a new Benefit Elections Form and an Application for Long Term Care Insurance.

When will the changes take effect?

The changes will take effect at 12:01 a.m. on the first day of the month that occurs on or next follows the month in which Unum approves your Application for Long Term Care Insurance.

Increases in the amount of insurance coverage will not take effect on the date they would normally take effect if:

- you are an active employee of the Sponsoring Organization and you are absent from work on that date because you are injured, sick, temporarily laid off or on a leave of absence, or
- you are a family member and you are totally disabled on that date.

The increase or addition in insurance coverage will take effect at 12:01 a.m. on the date:

- you, an active employee of the Sponsoring Organization, return to work as an active employee, and
- you, a family member, no longer are totally disabled.

WHEN WILL GROUP COVERAGE THROUGH THE PLAN END FOR YOU?

When will coverage end?

Your coverage will end on the earliest of these dates:

- the date the Summary of Benefits under the policy ends,
- the date you no longer are in an eligible class,
- the date your class no longer is included for insurance,
- the end of the period for which premiums were last remitted to UNUM for your coverage, or
- the date you no longer are an active employee with the Sponsoring Organization

In most cases, however, you may continue coverage after the coverage would normally end. For more information, see the discussion: "What happens when group long term care coverage ends?".

What if you are absent from work at ELMA Electronic Inc.?

If you are absent from work for any reason, you will continue to be covered for group coverage if the Sponsoring Organization continues to remit to UNUM the premium for the coverage.

What happens when group long term care coverage ends?

If group long term care coverage ends, you or your authorized representative may elect portable coverage for you. This means that the same coverage you had under this plan can continue on a direct billing basis. Persons who are direct billed will automatically transfer to portable coverage.

But, if your group long term care coverage ends because you chose to have premium payments stopped for your coverage, you may not elect portable coverage.

Any election for portable coverage must be made within 60 days of the date the group coverage would otherwise end. If so elected, you are a portable insured.

Any premium that applies must be paid directly to UNUM by you for any portable coverage to be continued.

Also, the premium rate schedule for portable coverage may change in the future, depending on the overall use of the benefits by all covered persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies.

Can coverage be changed once on portability?

You can apply at any time to increase coverage by filling out a new Benefit Elections Form and an Application for Long Term Care Insurance which includes evidence of insurability.

LONG TERM CARE INSURANCE

WHAT ARE LONG TERM CARE BENEFITS?

A long term care benefit will be paid to you for a loss of functional capacity or cognitive impairment according to the SCHEDULE OF LONG TERM CARE INSURANCE BENEFITS. The amount of the monthly payment will depend on:

- the long term care plan of coverage you choose;
- any options you choose, if available;
- the place of residence used for long term care; and
- if your claim is for a "Professional Home Care Services" monthly benefit, the number of days of Professional Home Care Services you receive each month.

What is the Lifetime Maximum Amount you can receive under the Summary of Benefits?

The Lifetime Maximum Amount is the maximum Unum will pay you for all long term care benefits. You have your own Lifetime Maximum Amount.

The Lifetime Maximum Amount under the Summary of Benefits for this certificate is shown in the SCHEDULE OF LONG TERM CARE INSURANCE BENEFITS.

Your Lifetime Maximum Amount will be adjusted to include any inflation option increases, if applicable.

HOW DO YOU QUALIFY TO RECEIVE LONG TERM CARE MONTHLY PAYMENTS?

To qualify to receive monthly payments from Unum:

- If you are residing in a Long Term Care Facility, or an Assisted Living Facility, you must:
 - suffer a loss of functional capacity or cognitive impairment while insured for a "Long Term Care Facility" or "Assisted Living Facility" amount under this long term care insurance;
 - be under the regular care of a doctor according to the condition; and
 - give Unum proof that you have suffered a loss of functional capacity or cognitive impairment.

- If your plan includes the "Professional Home Care Services" or "Total Home Care" option and you are residing at home or another similar place, you must:
 - suffer a loss of functional capacity or cognitive impairment while insured for a "Professional Home Care Services" or "Total Home Care" amount under this long term care insurance;
 - be under the regular care of a doctor according to the condition;
 - be receiving care at home or another similar place; and
 - give Unum proof that you have suffered a loss of functional capacity or cognitive impairment.

WHEN WILL YOU RECEIVE MONTHLY PAYMENTS FOR LONG TERM CARE?

If you have completed the Elimination Period, Unum's monthly payments will become payable on the day after you complete the Elimination Period.

Unum will not send any monthly payments to you if you have not completed the Elimination Period.

What is the Elimination Period?

The Elimination Period is the number of consecutive days during which you must continue to qualify to receive long term care monthly payments before benefits can become payable. For information on how to qualify to receive long term care monthly payments see the discussion "HOW DO YOU QUALIFY TO RECEIVE LONG TERM CARE MONTHLY PAYMENTS?".

However, if your plan includes the "Professional Home Care Services" Option and you are receiving "Professional Home Care Services", each calendar week that you receive at least one day of Professional Home Care Services will be counted as seven days towards completing the Elimination Period.

If you continue to remain at home or another similar place and do not receive Professional Home Care Services for at least one day within a calendar week, the Elimination Period will begin again.

If your plan does not include "Professional Home Care Services" or "Total Home Care", the entire Elimination Period must be completed while residing in a Long Term Care Facility and/or an Assisted Living Facility.

The Elimination Period under the Summary of Benefits for this certificate is shown in the SCHEDULE OF LONG TERM CARE INSURANCE BENEFITS.

HOW MUCH WILL UNUM PAY IF YOU HAVE A LOSS OF FUNCTIONAL CAPACITY OR COGNITIVE IMPAIRMENT?

If you have a loss of functional capacity or cognitive impairment, Unum will send the payment to you each month. The amount of the monthly payment will be based on the plan(s) and option(s), if available, that you have chosen from the SCHEDULE OF LONG TERM CARE INSURANCE BENEFITS. See your CONFIRMATION FORM to determine the amount Unum will pay you each month.

- If you are eligible for a "Long Term Care Facility" payment for a period that is less than one month, Unum will pay 1/30th of your "Long Term Care Facility" Monthly Benefit Maximum for each day that you:
 - have a loss of functional capacity or cognitive impairment; and
 - reside in a Long Term Care Facility.
- If you are eligible for an "Assisted Living Facility" payment for a period that is less than one month, Unum will pay 1/30th of your "Assisted Living Facility" Monthly Benefit Maximum for each day that you:
 - have a loss of functional capacity or cognitive impairment; and
 - reside in an Assisted Living Facility.
- If your plan includes the "Professional Home Care Services" option and you are eligible for a "Professional Home Care Services" payment for a period that is less than one month, Unum will pay 1/30th of your "Professional Home Care Services" Monthly Benefit Maximum for each day that you:
 - have a loss of functional capacity or cognitive impairment; and
 - receive Professional Home Care Services.
- If your plan includes the "Total Home Care" option and you are eligible for a "Total Home Care" payment for a period that is less than one month, Unum will pay 1/30th of your "Total Home Care" Monthly Benefit Maximum for each day that you have a loss of functional capacity or cognitive impairment.

HOW LONG WILL UNUM CONTINUE TO PAY YOU FOR LONG TERM CARE BENEFITS?

Unum will continue monthly payments to you for long term care benefits until the earliest of the following dates:

- the date you no longer have a loss of functional capacity or cognitive impairment,
- the date you die,
- the date you no longer qualify to receive a monthly payment under the long term care plan of coverage you chose, or
- the date your total benefit payments equal the Lifetime Maximum Amount.

CAN LONG TERM CARE BENEFITS BE INCREASED TO PROTECT AGAINST INCREASING COST?

Yes.

- **If you choose the capped Simple Growth Inflation Protection Option at the time of enrollment, your coverage will be increased by 5% of your initial amount on January 1st of the next calendar year. Subsequent 5% increases will:**
 - be added, each January 1st after that, to your initial amount of coverage; and
 - continue to occur until your amount of coverage has been increased to 200% of your initial amount of coverage.

If you decline the inflation option at the time of enrollment, you cannot choose it at a later date for that amount of coverage chosen at the time of enrollment.

- **If you choose the capped Simple Growth Inflation Protection Option when you apply for additional coverage, your additional coverage will be increased by 5% of your additional amount on January 1st of the next calendar year. Subsequent 5% increases will:**
 - be added, each January 1st after that, to your additional amount of coverage; and
 - continue to occur until your additional amount of coverage has been increased to 200% of your additional amount of coverage.

If you decline the inflation option at the time you apply for additional coverage, you cannot choose it at a later date for that additional amount of coverage.

- **FOR EXAMPLE:** A monthly benefit amount of \$1,000 will be increased by \$50 each calendar year until the amount of coverage equals \$2,000 which is 200% of the beginning monthly benefit amount.

As long as your coverage remains in effect, these inflation increases will occur automatically regardless of your health or whether or not you have suffered a loss of functional capacity or cognitive impairment.

No inflation increases will be made after the end of the period for which premiums were last remitted to Unum for your coverage.

CAN YOU RECEIVE ANY PAYMENTS WHILE YOU ARE RECEIVING RESPITE CARE IF UNUM IS NOT YET MAKING LONG TERM CARE MONTHLY PAYMENTS?

Yes. If you qualify for a Home or another similar place monthly benefit but are not yet receiving monthly payments because you:

- have not yet completed the Elimination Period; or
- have completed the Elimination Period but have chosen to postpone receipt of benefits in order to preserve your Lifetime Maximum Amount

Unum will make payments to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your Home or another similar place Monthly Benefit Maximum for each day that you receive respite care. Payments made to you for respite care will reduce your Lifetime Maximum Amount under the Summary of Benefits.

You **do not** have to complete the Elimination Period for respite care payments to become payable.

Premiums are not waived while you are receiving a payment for respite care.

What is respite care?

Respite care means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities.

Respite care may be provided to you by:

- a formal caregiver, such as a Home Health Care Provider, an Adult Day Care Facility, a registered nurse, a licensed practical nurse, or
- an informal caregiver such as a friend or relative.

WHAT IF YOU HAVE A LOSS OF FUNCTIONAL CAPACITY OR COGNITIVE IMPAIRMENT AGAIN AFTER RECEIVING LONG TERM CARE PAYMENTS FROM UNUM?

If you have a loss of functional capacity or cognitive impairment which begins after the date Unum stopped making long term care payments to you for the previous loss, you **do not** have to satisfy a new Elimination Period. Unum will pay long term care benefits to you until the earliest of the dates listed in the discussion "HOW LONG WILL UNUM CONTINUE TO PAY YOU FOR LONG TERM CARE BENEFITS?".

WHAT IS NOT COVERED FOR LONG TERM CARE?

Unum will not make long term care payments to you for:

- losses caused by war (whether declared or not) or any act of war,
- losses caused by attempted suicide (while sane or insane) or self-destruction,
- losses caused by a commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law,
- losses or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,
- any days over fifteen days in each calendar year during which you are confined in any facility for acute care (acute care is medical care obtained as a result of an injury or a sickness requiring immediate medical intervention),
- losses caused by alcoholism,
- losses caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a doctor. ("Controlled substance" is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments.), or
- losses caused by psychological or psychiatric conditions which include:
 - depression,
 - generalized anxiety disorders,
 - personality disorders,
 - schizophrenia, or
 - manic depressive disorders

whether treated by drugs, counseling or other forms of therapy.

However, Unum will make payments to you for conditions that are not psychological or psychiatric in nature, including Alzheimer's disease, multi-infarct dementia, or Parkinson's disease.

WILL UNUM MAKE ANY PAYMENT TO YOU IF YOU HAD A CONDITION BEFORE UNUM'S LONG TERM CARE COVERAGE BEGINS?

Unum will not make any payments to you for any loss of functional capacity or cognitive impairment that:

- is caused by, contributed to by, or results from a preexisting condition, and
- begins during the first six months after your coverage begins.

A preexisting condition is any condition that exists for which you:

- received medical treatment, consultation, care, or services, including diagnostic measures for the condition, or
- took drugs or medicines that were prescribed for the condition,

during the six month period right before your coverage began.

Unum calls this a preexisting condition.

This preexisting conditions exclusion will apply to all insurance that does not require evidence of insurability.

Note: A pre-existing condition is not the same as a loss of ADLs or cognitive impairment that existed before your effective date of coverage.

If you have a **loss** of ADLs or cognitive **impairment** before your effective date of coverage, that **loss** or **impairment** will never be covered.

If you have a **condition** that exists prior to your effective date of coverage and has not resulted in a loss of ADL or cognitive impairment, that condition may be a pre-existing condition. If it is a pre-existing condition and you have a **loss** of 2 or more ADLs or cognitive impairment caused by, contributed to by or resulting from that pre-existing condition during the first 6 months **after your effective date of coverage**, these losses or impairment will not be covered.

CAN UNUM HELP YOU REGAIN FUNCTIONAL CAPACITY OR COGNITIVE FUNCTION?

While you continue to have a loss of functional capacity or cognitive impairment, Unum may suggest alternate care designed to help you regain the functional capacity to engage in the activities of daily living or regain cognitive function. Examples of alternate care may include, but are not limited to:

- a rehabilitation program;
- home modifications for wheelchair access; and
- certain types of medical equipment or hardware purchases.

The terms of alternate care and the actual expenses that Unum will pay will be subject to written mutual agreement between Unum and you or your authorized representative. When appropriate, Unum may pay reasonable expenses which are not otherwise payable by Medicare, Medicaid or other insurance.

If, for any reason, you do not wish to accept alternate care, your benefits will continue according to the provisions of the Summary of Benefits.

GENERAL INFORMATION

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS INSURANCE BE USED?

Unum considers any statements you make for insurance in any signed application(s) for initial coverage and/or any subsequent changes in coverage to be complete and true to the best of your knowledge and belief. If any of these statements are not complete and/or not true at the time they are made, Unum can:

- reduce or deny any claim, or
- terminate insurance from the original effective date.

Unum must use only the statements made in the signed application(s) as a basis for doing this.

Unum can take these actions only in the first 2 years your initial coverage or changes in coverage is in force.

CAN THE SPONSORING ORGANIZATION ACT AS UNUM'S AGENT?

For all purposes of the Summary of Benefits, the Sponsoring Organization acts on its own behalf or as the employee's agent. Under no circumstances will the Sponsoring Organization be deemed Unum's agent.

IS THE SUMMARY OF BENEFITS GUARANTEED RENEWABLE?

The Summary of Benefits is guaranteed renewable on each Anniversary Date.

What does Unum mean by Guaranteed Renewable?

Guaranteed renewable means that the Summary of Benefits will continue in force subject to the following conditions:

- the Sponsoring Organization promptly gives Unum any information that Unum requires,
- the Sponsoring Organization performs all of its obligations that relate to the Summary of Benefits, and
- the Sponsoring Organization continues to remit all premiums due within the grace period.

CLAIM INFORMATION

WHEN DO YOU FILE A CLAIM FOR LONG TERM CARE PAYMENTS?

Written notice of a claim must be given within 30 days after the date that your loss of functional capacity or cognitive impairment began or as soon as it is reasonably possible to do so.

If you do not have a Long Term Care Notice of Claim Form, you can get one from the Sponsoring Organization's Plan Administrator, or your Unum representative, or you can notify Unum in writing that you want to make a claim. If you do not receive the form from Unum within 15 days after writing, send Unum proof of the claim without the form.

You must send Unum proof of claim for long term care payments no later than 90 days after the end of the first monthly period for which you are eligible to receive long term care payments from Unum. If you cannot send Unum proof within this 90-day period, you must send Unum proof as soon as it is reasonably possible to do so, but in no event more than one year after the time proof is otherwise required.

The proof of your claim must tell Unum:

- what the loss of functional capacity or cognitive impairment is,
- the date that the loss of functional capacity or cognitive impairment began,
- the cause of the loss of functional capacity or cognitive impairment,
- the address of the place of residence used for long term care, and
- the name and address of your attending doctor(s).

If your plan includes the "Professional Home Care Services" Option, and your claim is for a "Professional Home Care Services" monthly payment, Unum must also receive proof of the Professional Home Care Services provided to you.

HOW DO YOU FILE A CLAIM FOR LONG TERM CARE PAYMENTS?

You or your authorized representative must fill out, detach and mail the Notice of Claim postcard to Unum. This postcard is provided as an attachment to the Long Term Care Claim Form.

You or your authorized representative must also fill out the Long Term Care Claim Form and send it to Unum. If you have enough information to fully complete and send the Long Term Care Claim Form, you do not need to send the Notice of Claim postcard separately.

Once Unum receives the Notice of Claim postcard and/or the Long Term Care Claim Form, a Claims Representative will contact you or your authorized representative to review the information on the form(s) and answer any questions you may have.

As part of proof of claim, Unum may request that a claims assessment be performed.

Unum may also send your attending doctor(s) a Long Term Care Attending Physician's Initial Statement Form to fill out and send to Unum. In some cases, Unum may require additional Attending Physician's Progress Statements if you continue to have a loss of functional capacity or cognitive impairment.

After you have filed a claim, Unum may also require you to be examined by a doctor or other medical practitioner of Unum's choice. Unum will pay for the examination. Unum can require an examination as often as it is reasonable to do so.

Unum may require you or your authorized representative to give it authorization to obtain additional medical and nonmedical information as part of the proof of claim.

What is a claims assessment?

A claims assessment means a review done by Unum or its designated representative to help in evaluating the status of your loss of functional capacity or cognitive impairment. It may include:

- a telephone interview with you; and/or
- a face-to-face interview with you at a location selected by Unum or its designated representative.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You or an authorized representative may not sue on your claim before 60 days after proof of loss has been given to Unum. You or an authorized representative may not sue after 3 years from the time proof of loss is required.

WHEN WILL UNUM BEGIN TO SEND YOU LONG TERM CARE PAYMENTS?

When Unum receives acceptable proof of your claim for long term care payments, Unum will begin to send you long term care payments if you have satisfied any applicable Elimination Period.

Unum will send you a lump sum payment to cover the period of time between the day you became eligible for benefit payments and the day you were approved for benefit payments. Unum will then send you a payment each month during any remaining period of loss of functional capacity or cognitive impairment for which you are eligible to receive long term care payments. For information about how long Unum will continue to send long term care payments, see "HOW LONG WILL UNUM CONTINUE TO PAY FOR LONG TERM CARE BENEFITS?".

HOW DOES UNUM'S RIGHT OF RECOVERY AFFECT YOUR CLAIM?

Unum has the right to recover any overpayments made because of any error Unum makes in processing your claim.

2) The "WILL UNUM MAKE ANY PAYMENT IF EITHER YOU OR YOUR SPOUSE HAD A CONDITION BEFORE UNUM'S LONG TERM CARE COVERAGE BEGINS?" section is removed in its entirety and is no longer applicable:

Persons age 65 and over at the time of enrollment

Unum will not make any payments for any loss of functional capacity that:

- is caused by, contributed to by, or results from a preexisting condition, and
- begins during the first six (6) months after your or your spouse's coverage begins.

A preexisting condition is any condition that exists for which you or your spouse:

- received medical treatment, consultation, care, or services, including diagnostic measures for the condition, or
- took drugs or medicines that were prescribed for the condition, during the six (6) month period right before your or your spouse's coverage began.

Unum calls this a preexisting condition.

Persons under age 65 at the time of enrollment

Unum will not make any payments for any loss of functional capacity that:

- is caused by, contributed to by, or results from a preexisting condition, and
- begins during the first twelve months after your or your spouse's coverage begins.

3) "The HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS INSURANCE BE USED?" section is changed to state:

Unum considers any statements you make for insurance in a signed application to be complete and true to the best of your knowledge and belief. If any of these statements are not complete and/or true at the time they are made Unum can:

- reduce or deny any claim; or
- cancel insurance from the original effective date.

Unum must only use these statements made in the signed application as a basis for doing this.

Unum can take these actions only in the first two (2) years your insurance is inforce.

If your coverage has been inforce for two (2) years or more, your coverage may be cancelled only for non-payment of premium.

If we have paid benefits under the policy, the benefit payments may not be recovered by us in the event that coverage is cancelled.

Important: This document becomes part of your Certificate of Insurance. Be sure to keep this document in your records with the Certificate of Insurance previously provided to you under the group policy.

If the Summary of Benefits is terminated, Unum will still pay any payable claim for an insured person's chronic illness which began while the Summary of Benefits was in effect.

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

1. the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
2. a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
3. a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

The time period provided in this section for submitting an appeal will apply unless a longer time period for submitting an appeal is stated in the Summary of Benefits.

Unum will make a full and fair review of the claim and all new information submitted, whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Summary of Benefits provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notices of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Sponsoring Organization or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials. This does not apply if the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, (for example, if the courts find your claims frivolous) the court may order you to pay these costs and fees.

Assistance With Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in the evaluating those decisions.
