- the coverage to which you may be entitled;
- to whom Unum will make a payment;
- the limitations, exclusions and requirements that apply within a plan.

ELIGIBILITY FOR COVERAGE

If you are working for the Policyholder in an Eligible Group, the date you are eligible for coverage is the later of:

- the Policy Effective Date; or
- the day after you complete your Waiting Period.

Eligible Family Members

If you are an Eligible Family Member, you will be eligible to apply for coverage on the later of:

Although you may be eligible for coverage, your coverage will not begin until the date shown on your **Schedule of Benefits**, subject to the timely payment of premium for your coverage.

APPLICATION AND ENROLLMENT FOR COVERAGE

Employee

During your initial enrollment period, you can enroll for coverage without completing a Long Term Care Insurance Application for amounts that do not exceed the Evidence of Insurability limits as shown in the **Benefits at a Glance**. Simply complete a benefit election form. You can obtain a benefit election form from the Policyholder's plan administrator.

If the Policyholder pays the full amount of premium for your coverage, you do not need to enroll for coverage. However, you may need to enroll for coverage, by completing a benefit election form, when you pay all or a portion of the premium.

If you enroll for coverage after your initial enrollment period, you may be required to complete a Long Term Care Insurance Application in addition to the benefit election form.

Eligible Family Members

You can apply for coverage with Evidence of Insurability at any time after the date you become eligible for coverage by completing the benefit election form and the Long Term Care Insurance Application. These forms can be obtained from the Policyholder or Unum.

COVERAGE EFFECTIVE DATE

Your coverage will begin at 12:01 a.m. on the latest of:

- the date you are eligible for coverage if we have received your benefit election form, and you applied for coverage on or before that date;
- the date you are eligible for coverage if we have received your benefit election form, and you applied for coverage within 31 days after your eligibility;
- the date Unum approves your Long Term Care Insurance application if Evidence of Insurability is required.

Your Coverage Effective Date will be the date shown in your **Schedule of Benefits** subject to the timely payment of premium for your coverage.

WHEN COVERAGE WILL BE DELAYED FOR EMPLOYEES

If you are absent from work due to injury, sickness, Temporary Layoff or Leave of Absence on your Coverage Effective Date, coverage will not begin until you return to work in Active Employment and we receive premium for your coverage.

TEMPORARY ABSENCE FROM WORK ONCE COVERAGE HAS BEGUN FOR EMPLOYEES

If you are on a Temporary Layoff, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your Temporary Layoff begins.

If you are on a Leave of Absence, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your Leave of Absence begins.

INCREASES IN COVERAGE

After your coverage is in force, you can apply to increase coverage, based on the benefits available as shown in the **Benefits at a Glance**, by sending us a new benefit election form and a Long Term Care Insurance Application.

No increased or additional coverage will become effective unless we approve your Long Term Care Insurance Application for such change. If we approve your changes in coverage, you must pay the new premium due. You will be notified of the new premium due amount and the date it is due.

You may apply for increases in coverage at any time. Premiums currently charged may be adjusted due to changes or increases in coverage. Upon approval, the change(s) you requested will replace existing benefit option(s) or your benefit duration.

DECREASES IN COVERAGE

You have the right to lower premium by reducing coverage based on the benefits available as shown in the **Benefits at a Glance**. You can decrease coverage at any time by sending us a new benefit election form. Premiums currently charged may be adjusted due to changes or decreases in coverage. Your **Schedule of Benefits** will reflect new premium due amount and the date it is due.

TERMINATION OF BENEFITS

Your benefit payments under the policy will end on the earliest of:

- the day after you are no longer Chronically III;
- the day after the expiration of your Licensed Health Care Practitioner's Certification;
- the day after you are no longer receiving Qualified Long Term Care Services;
- the day after your Lifetime Maximum Benefit has been reached;
- the day after you die.

TERMINATION OF COVERAGE

Your group coverage will terminate on the earliest of:

- the day after your Lifetime Maximum Benefit has been reached; or
- the day after the end of your Grace Period, if premiums for your coverage are not paid within the Grace Period; or
- the day after the pay period ends for which premiums were last remitted to us by the Policyholder for your coverage; or
- the date of cancellation requested by you; or
- the day after you die.

On the date the Policyholder terminates the Policy with us, you may continue your coverage as provided under the Continuation of Coverage Provision.

CONTINUATION/CONVERSION OF COVERAGE

If your coverage under the Policy ends, you may continue your same coverage by paying your premium directly to us, except as stated below. We must receive premium payments for your continued coverage on or before the premium due date for such premiums. We must also receive your completed Continuation of Coverage form and Third Party Designation form if premium was remitted to us by the Policyholder.

You must contact the Policyholder or Unum to obtain the Continuation of Coverage form and the Third Party Designation form. You must fully complete both forms and return them to Unum, at the address listed on the form within 60 days of the date your coverage ends. If you are already direct billed, your coverage will automatically continue.

If the group Policy terminates and you have been continuously insured under the group Policy for at least six (6) months immediately prior to termination, you may elect to have a Converted Policy. Converted Policy means an individual long term care Policy providing benefits identical to or benefits substantially equivalent to those provided under the group Policy from which conversion is made.

Election for a converted Policy must be made within 31 days from the date your coverage ends. We must also receive your completed Conversion form and Third Party Designation form if premium was remitted to us by the Policyholder. You must pay premium directly to Unum for your converted coverage.

You may not elect to continue or convert coverage if you are not insured under the group Policy.

The premium rate schedule for continued or converted coverage may change in the future, depending on:

- the overall use of the benefits by all insured persons; or
- changes in the benefit levels or other risk factors.

Any such change will be made for all insureds in the same class.

You may make changes at any time to your continued or converted coverage. Changes must be based on the current Benefit Options available under the group policy. To change your coverage, you must contact Unum's home office for assistance. You will need to complete the necessary forms which may include a Long Term Care Insurance Application.

STATEMENTS

We consider any statements you make for insurance in any signed application for coverage to be complete and true to the best of your knowledge and belief. In the absence of fraud, all statements made in any application are considered representations and not warranties (absolute guarantees).

If any of these statements are not complete and/or not true at the time they were made, we can:

- reduce or deny any claim; or
- terminate your coverage from the original effective date.

No such statements made by you will be used to deny a claim unless a copy of your statements has been given to you.

INCONTESTABILITY

If your coverage has been in force for six (6) months or less, we may:

- rescind your coverage upon a showing of misrepresentation that is material to the acceptance of coverage; or

- deny an otherwise valid claim relating to a Chronic Illness commencing prior to the expiration of such six (6) month period upon a showing of misrepresentation that is material to the acceptance of coverage.

If your coverage has been in force for at least six (6) months but less than two (2) years, we may:

- rescind your coverage upon a showing of misrepresentation that is both material to the acceptance of coverage and which pertains to the conditions for which benefits are sought; or
- deny an otherwise valid claim relating to a Chronic Illness commencing during such six (6) months to two (2) year period, upon a showing of misrepresentation that is both material to the acceptance of coverage and which pertains to the conditions for which benefits are sought.

If your coverage has been in force for two (2) years or more, your coverage may be rescinded only upon a showing that you knowingly and intentionally misrepresented relevant facts relating to your health.

If your coverage is reinstated, the time periods applicable to this provision will be measured from the reinstatement date.

If we have paid benefits under the policy, the benefit payments may not be recovered by us in the event that the coverage is rescinded.

WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

AGENT

For all purposes of the policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

The policy is intended to be a qualified long term care insurance policy under Section 7702B(b) of the Internal Revenue Code of 1986, as amended. You must also provide us a Licensed Health Care Practitioner's Certification that you are unable to perform (without Substantial Assistance from another individual) two (2) or more Activities of Daily Living for a period of at least 90 days, or that you require Substantial Supervision by another individual to protect you from threats to your health or safety due to Severe Cognitive Impairment. The inability to perform the two (2) or more ADLs for a 90-day period is not an additional Elimination Period.

You will be required to submit a Licensed Health Care Practitioner's Certification every 12 months.

A benefit will become payable once all these requirements are met.

LIMITATIONS ON PAYMENT OF BENEFITS

We will not pay benefits in excess of the coverage you chose as shown in your **Schedule of Benefits**. The policy only pays benefits if you are receiving Qualified Long Term Care Services.

BENEFIT PAYMENT

If you are eligible for a LTC Facility Monthly Benefit:

You must give us **PROOF OF LOSS** and that you are receiving Qualified Long Term Care Services in a LTC Facility before a LTC Facility Monthly Benefit will be paid. If you are eligible for benefits for a period of less than one (1) month, we will pay you 1/30th of the LTC Facility Monthly Benefit for each day that you are Chronically Ill and receiving Qualified Long Term Care Services in a LTC Facility.

The amount of your LTC Facility Monthly Benefit is shown in your **Schedule of Benefits**.

You are eligible for, a Professional Home and Community Care Monthly Benefit:

We will pay 1/30th of the Professional Home and Community Care Monthly Benefit shown in your **Schedule of Benefits** for each day you are receiving Professional Home and Community Care Services. Professional Home and Community Care Services you receive may be provided anywhere other than a LTC Facility, acute care facility or other location excluded by the policy.

You must give us written proof indicating days of Professional Home and Community Care Services provided to you before a benefit will be paid. We will also require a copy of the Licensed Home Health Care Agency's state license, if applicable, or the Licensed Home Health Care Professional's state license to practice in his/her respective field prior to payment of benefits.

BED RESERVATION BENEFIT

If you are receiving a LTC Facility Monthly Benefit and your stay in the LTC Facility is interrupted due to a stay in an acute care facility, or due to a temporary absence, and a charge is made to reserve your LTC Facility accommodations, you will be eligible for a Bed Reservation Benefit. We will pay you 1/30th of the LTC Facility Monthly Benefit for each day you are absent from the LTC Facility:

- up to 90 days per calendar year if your absence is due to a stay in an acute care facility; or
- up to 30 days per calendar year for a temporary absence not related to a stay in an acute care facility.

In no event will the total number of Bed Reservation days exceed 90 days per calendar year. Bed Reservation payments will reduce your Lifetime Maximum Benefit, and will no longer be available once your Lifetime Maximum Benefit has been reached.

If your stay in a LTC Facility is interrupted while you are satisfying your Elimination Period, such days will be used to help satisfy your Elimination Period.

RESPIRE CARE BENEFIT

If you are Chronically Ill and receiving Respite Care, but you are not receiving a LTC Facility Monthly Benefit or a Home Care Monthly Benefit, if your coverage includes home care, you will be eligible to receive Respite Care. The Respite Care Benefit you will receive is equal to 1/30th of your LTC Facility Monthly Benefit for each day you have Respite Care for up to 21 days each calendar year. You do not need to complete your Elimination Period for Respite Care payments to begin, and the days you are receiving Respite Care will count toward satisfying your Elimination Period.

This may include related tests, as are reasonably necessary with respect to a specific claim, performed or evaluated by a Licensed Health Care Practitioner, at such time and place and with such frequency as we reasonably require, but no more frequently than every 90 days while your claim is pending. Any payable benefits remaining unpaid, when you cease to be Chronically Ill, will be paid immediately upon receipt of written proof.

PAYMENT OF CLAIMS

All benefits are payable directly to you unless at the time of claim you or your authorized representative have requested in writing that payment be made otherwise.

If you are eligible to receive a benefit and you die prior to receiving the benefit payment, any remaining benefits that are owed to you will be payable to your probate estate, if one has been established. In the event that there is no probate estate, the remaining benefits up to an amount not exceeding \$1,000.00 will be paid, at our option, to your Family Member or to another recipient deemed by us to be entitled to such benefits. If we pay benefits in good faith under this provision, we will have satisfied our obligations under the policy and will not have to pay such benefits again.

CLAIM OVERPAYMENT

If the Company pays the certificate holder amounts to which the certificate holder is not legally entitled under the terms of the Group Policy, the Company shall be entitled to recover such amounts to the extent permitted by law and as allowed by law.

RIGHT OF APPEAL

You have the right to appeal any claim decision. Your appeal must be in writing and must be sent to us within 90 days of your denial notice.

We will review your appeal and all new information submitted, and notify you or your representative of our decision within 60 days of receiving the appeal. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which we expect to make a decision. A decision shall be made no later than 120 days following receipt of the initial request for review. We can extend the time periods if we have not received needed information from you. In some cases, we may request that you provide additional information to assist in the review.

You or your authorized representative may request copies of those documents that are relevant to your claim.

GENERAL INFORMATION

PREMIUM DUE DATES AND PAYMENTS

All premiums due for your coverage, including any adjustments, must be paid on or before the applicable Premium Due Date. Premium must be sent to us at 2211 Congress Street, Portland, Maine 04122 or at the address designated on the bill for that purpose. Premiums are payable in U.S. currency only (payment methods: check, money order or electronic transfer).

GRACE PERIOD

The Grace Period for coverage that is payroll deducted is the 45 consecutive days that begin with the day a premium is due. Your coverage will remain in effect during that time. Termination of coverage will not prejudice any payable claim for a covered loss that begins prior to termination of coverage.

The Grace Period for coverage that is billed directly to you and/or your designated representative is the 30 consecutive days that begin with the day a premium is due. Your coverage will remain in effect during that time. Termination of coverage will not prejudice any payable claim for a covered loss that begins prior to termination of coverage.

UNINTENTIONAL LAPSE

When you applied for this coverage, you were given the opportunity to designate at least one (1) person, in addition to yourself, who is to receive notice of lapse or termination of your coverage for nonpayment of premium. Designation does not constitute acceptance of any liability by the third party for services provided to you. You will be notified of your right to change this written designation no less often than once every two (2) years.

Your coverage will not lapse or be terminated for nonpayment of premium unless we notify you, and those persons designated by you (if any) to receive notice of lapse or termination, at least 30 days before the effective date of lapse or termination. Notice will be given by first class United States mail, postage prepaid. Notice will not be given until 30 days after a premium is due and unpaid and will be deemed to have been given as of five (5) days after the date of mailing. However, termination of your coverage will not prejudice any payable claim for a covered loss which begins prior to policy termination.

REINSTATEMENT

If your coverage terminates because a premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time within six (6) months after the policy's termination date.

In order to reinstate coverage, the following requirements must be met:

- you must complete a Long Term Care Insurance Application;
- we must approve your Long Term Care Insurance Application; and
- you must pay all unpaid premium.

If we approve your reinstatement application, we will reinstate your coverage as of the date it was terminated and all of its terms and conditions will apply. If we issue a conditional receipt and do not approve or disapprove your Long Term Care Insurance Application within 45 days from the date of the conditional receipt, we will reinstate your coverage on that 45th day unless we have previously notified you in writing of the disapproval of your application. The effective date of the reinstatement will be the date your coverage terminated.

If this policy is reinstated, it will only cover Chronic Illness resulting from:

- injury that occurs on or after the date this policy is reinstated; or
- sickness, which is diagnosed or treatment which begins, more than 10 days after this policy is reinstated.

The reinstated coverage WILL NOT cover any Chronic Illness, which is excluded by name or description in the policy.

REINSTATEMENT OF TERMINATED COVERAGE DUE TO CHRONIC ILLNESS

If you become Chronically Ill and your coverage terminates because a premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time within six (6) months after the policy's termination date.

In order to reinstate your coverage, the following requirements must be met:

- you must provide proof that your Chronic Illness began prior to the date your coverage terminated; and
- you must pay all unpaid premium.

If you meet these requirements, we will reinstate your coverage on the date your coverage terminated and all the terms and conditions of the policy will apply.

The reinstated coverage WILL NOT cover any Chronic Illness, which is excluded by name or description in the original policy.

REINSTATEMENT AFTER MILITARY SERVICE

You have the right to place your coverage in suspension while you are on a Leave of Absence from the Policyholder for active military service. "Suspension" is a process of placing your coverage on inactive status. No premium payments are required while coverage is suspended, but there is no coverage during that period of time. A request to suspend coverage due to entering full-time, active military service must be made in writing and include the policy number.

If the duration of your active military service is five (5) years or less and you return to Active Employment with the Policyholder within 90 days of the end of that service, your coverage will be reactivated without evidence of insurability so long as the policy remains in force. You must complete a written election to reinstate, submit the election within 90 days of termination of your full-time, active duty and pay the required premium.

If you do not terminate your full-time active duty within five (5) years from the date your coverage was suspended, or you do not reactivate your coverage within 90 days following your return to Active Employment with the Policyholder, your coverage will be deemed terminated as of the date suspension began. If your coverage has terminated, you may re-apply for coverage with evidence of insurability by filling out the benefit election form and the Long Term Care Insurance Application so long as the policy remains in force.

WAIVER OF PREMIUM

After you have satisfied your Elimination Period, and while you are receiving benefits under the policy and any attachments, we will waive premium payments. However, premium payments will not be waived if you are only receiving Respite Care Benefits.

If benefits are no longer payable, you must resume premium payments. We will notify you of the amount of your next premium payment and the date it is due.

REFUND OF PREMIUM AFTER DEATH

If you die while insured under the policy, we will refund any pro rata portion of your premium paid covering the period after your death. We will make the refund within 30 days after we receive written notice of your death. Payment will be made to your estate.

REFUND OF PREMIUM DUE TO CANCELLATION OF COVERAGE

In the event your coverage under the policy is cancelled by you, we will, within 30 days of the effective date of such cancellation, refund the unearned premium paid for any period beyond the end of the month following the date of cancellation of coverage.

CONTINGENT NON-FORFEITURE

If your premium rates increase to a level which results in a cumulative percentage increase in your annual premium over your initial annual premium, that is greater than or equal to the percentage shown in the chart below based on your original issue age, you may choose to do one (1) of the following:

- (a) continue to pay the required premium;
- (b) reduce your benefits provided by the current coverage without the requirement of underwriting so that your required premium payments are not increased;
- (c) elect to convert your coverage within 120 days of the premium increase effective date to a paid up status with Contingent Non-Forfeiture; or
- (d) terminate your group coverage within 120 days of the premium increase effective date and be automatically converted to Contingent Non-Forfeiture.

The percentage increase in premium does not include increases to premium due to changes you request be made to your Long Term Care insurance coverage.

If you stop making premium payments under (c) or (d) above, this means that the Certificate will continue automatically with the same level of benefits, except for a reduction in your Lifetime Maximum Benefit. Your Lifetime Maximum Benefit under this provision will be equal to the total premium paid up to the date you stopped paying premiums.

In no event will your Lifetime Maximum Benefit:

- be less than 30 days of your LTC Facility Monthly Benefit; or
- exceed that which would have been paid had you not stopped paying premiums.

If your coverage contains an Inflation Protection Benefit option and/or Restoration of Benefits option, no Inflation Protection Benefit or Restoration of Benefits will be made after the end of the period for which premiums were last remitted to us for your coverage.

MISSTATEMENT OF AGE

If your age has been misstated, any benefit payable will be changed to the amount which the premium paid would have bought for the correct age.

If we accept premium for coverage that we would not have issued or which would have ceased according to the correct age, our only liability is to refund the premium for the period not covered.

CONFORMITY WITH FEDERAL STATUTES

We have designed the policy to meet the qualified long term care insurance requirements of Section 7702B(b) of the Internal Revenue Code of 1986, as amended. In the future if changes are needed to maintain the tax status of the policy, we will make every reasonable effort to amend the policy to maintain its tax status. The Policyholder will be given the opportunity to amend the policy in order to preserve its favorable federal income tax treatment. Your Certificate may be affected by any such amendments. If the required changes are not made, the policy and your coverage may lose their status as a qualified long term care insurance policy.

CONFORMITY WITH STATE STATUTES

Coverage under the policy may be amended as required to reflect the minimum requirements of applicable state law.

TAX NOTE

Since benefits are paid without regard to actual charges you incur, part of the benefit could be considered taxable income if they exceed the daily benefit amount limit prescribed under Section 7702B(b) of the Internal Revenue Code of 1986, as amended (referred to as a "Per Diem" limit). This "Per Diem" limit is indexed for inflation. You should consult with your tax advisor.

ADDITIONAL BENEFITS

The Additional Benefits available under the policy are described in this section. Refer to your **Schedule of Benefits** for any Additional Benefits you may have selected.

INFLATION PROTECTION

If your coverage includes:

5% COMPOUND INFLATION PROTECTION

Your LTC Facility Monthly Benefit will increase each year on the Coverage Effective Date anniversary by 5% of your LTC Facility Monthly Benefit in effect on that date. Increases will be automatic and will occur regardless of your health and whether or not you are eligible for or are receiving benefit payments under the policy and any attached rider(s). Your premium will not increase due to automatic increases in your LTC Facility Monthly Benefit. Your remaining Lifetime Maximum Benefit Amount will also increase by 5%.

In the event you decide to terminate this Inflation Protection prior to a claim being paid, you have the right to purchase the inflated Monthly Benefit amount at your original issue age or you can revert the Monthly Benefit amount to the one you chose when you enrolled for this provision.

Future increases of your Compound Inflation Protection will cease on:

- the day your coverage continues under any Non-Forfeiture Benefit; or
- the day your coverage terminates as provided in the Termination of Coverage provision.

This feature can be continued under the Continuation/Conversion of Coverage provision.

NON-FORFEITURE BENEFIT

If your coverage includes:

SHORTENED BENEFIT PERIOD

If premium payments are stopped after your Shortened Benefit Non-Forfeiture has been in force for at least three (3) full years from your Coverage Effective Date shown in your **Schedule of Benefits**, you will be eligible for a Non-Forfeiture Benefit in the form of a Shortened Benefit Period. This means that your coverage will continue automatically with the same level of benefits, except for a reduction in your Lifetime Maximum Benefit Amount. Your Lifetime Maximum Benefit Amount under this Non-Forfeiture Benefit will be equal to 100% of the total premium paid for your coverage up to the date premium payment stopped.

In no event will your new Lifetime Maximum Benefit Amount:

- be less than 30 days of your LTC Facility Monthly Benefit payments; or
- exceed that which would have been paid had payment of premium for your coverage not stopped.

This feature can be continued under the Continuation of Coverage provision.

If your coverage continues under the Non-forfeiture provision and you had an Inflation Protection provision and/or the Restoration of Benefits provision, those provisions will cease after the end of the period for which premiums were last remitted to us for your coverage.

If your coverage has been in force for less than three (3) years, your Shortened Benefit Period Non-Forfeiture option will terminate on the day your coverage terminates as provided in the Termination of Coverage provision.

- 2) The "**PRE-EXISTING EXCLUSION**" provision is removed in its entirety and is no longer applicable:

You have a Pre-existing Condition if medical advice, treatment, care or services including consultation or diagnostic measures or prescription drugs were received or recommended in the six (6) months just prior to your Coverage Effective Date; or you took prescribed drugs in the six (6) months just prior to your Coverage Effective Date.

We will not consider for any purposes an ADL loss or onset of Severe Cognitive Impairment that occurs in the six (6) months after your Coverage Effective Date if the ADL loss or Severe Cognitive Impairment is caused by, contributed to by or results from a Pre-existing Condition.

If you were required to apply for coverage by completing a Long Term Care Insurance Application and we approved your application, the Pre-existing Condition provision will not apply to you.

- 3) The "**INCONTESTABILITY**" section is changed to state:

If your coverage has been in force for six (6) months or less, we may:

- rescind your coverage upon a showing of misrepresentation that is material to the acceptance of coverage; or

- deny an otherwise valid claim relating to a Chronic Illness commencing prior to the expiration of such six (6) month period upon a showing of misrepresentation that is material to the acceptance of coverage.

If your coverage has been in force for at least six (6) months, we may:

- rescind your coverage upon a showing of misrepresentation that is both material to the acceptance of coverage and which pertains to the conditions of your Chronic Illness, or
- deny an otherwise valid claim relating to a Chronic Illness commencing during such six (6) months to two (2) year period, upon a showing of misrepresentation that is both material to the acceptance of coverage and which pertains to the conditions of your Chronic Illness.

If your coverage has been in force for two (2) years or more, your coverage may be rescinded only for nonpayment of premium.

If your coverage is reinstated, the time periods applicable to this provision will be measured from the reinstatement date.

If we have paid benefits under the policy, the benefit payments may not be recovered by us in the event that the coverage is rescinded.

4) The "**Chronic Illness**" and "**Chronically III**" definitions are changed to state:

"Chronic Illness" and "Chronically III" mean:

- you are unable to perform, without Substantial Assistance from another individual, two or more Activities of Daily Living; or
- you require Substantial Supervision by another individual to protect you from threats to your health and safety due to Severe Cognitive Impairment.

5) The "**CONTINGENT NON-FORFEITURE**" provision is change to state:

If your premium rates increase to a level which results in a cumulative percentage increase in your annual premium over your initial annual premium, that is greater than or equal to the percentage shown in the chart below based on your original issue age, you may choose to do one of the following:

- continue to pay the required premium,
- reduce your benefits provided by the current coverage without the requirement of underwriting so that your required premium payments are not increased,
- elect to convert your coverage within 120 days of the premium increase effective date to a paid up status with Contingent Non-Forfeiture; or,
- terminate your group coverage within 120 days of the premium increase effective date and be automatically converted to Contingent Non-Forfeiture.

The percentage increase in premium does not include increases to premium due to changes you request be made to your Long Term Care insurance coverage.

If you stop making premium payments under (c) or (d) above, this means that the certificate will continue automatically with the same level of benefits, except for a reduction in your Lifetime Maximum Benefit. Your Lifetime Maximum Benefit under this provision will be equal to the total premium paid up to the date you stopped paying premiums.

In no event will your Lifetime Maximum Benefit:

- be less than 30 days of your LTC Facility Monthly Benefit; or
- exceed that which would have been paid had you not stopped paying premiums.

If your coverage contains a Benefit Increase option, Inflation Protection Benefit option, Return of Premium at Death option and/or Restoration of Benefits option, no Benefit Increase, Inflation Protection Benefit, Return of Premium at Death or Restoration of Benefits will be made after the end of the period for which premiums were last remitted to us for your coverage.

Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If this Policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the Policy, including your Certificate of Coverage, and any additional Summary Plan Description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the Policy, your Certificate of Coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. Unum must receive a completed claim form. The form must be completed by you or your authorized representative. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIM PROCEDURES

The time periods provided in this section will apply to claims procedures under the Policy unless a shorter time is stated in the Policy.

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

The time period provided in this section for submitting an appeal will apply unless a longer time period for submitting an appeal is stated in the Policy.

The time period provided in this section for making a final appeal decision will apply unless a shorter time period for making a final appeal decision is stated in the Policy.

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have a right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted, whether or not presented or available at the initial determination, and may require additional documents as it deems

necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Policy provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notices of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

CORRECTION OF INFORMATION

If you believe the NPI we have about you is incorrect, please write to us and include your full name, address, telephone number and policy number if we have issued a policy, and the reason you believe the NPI is inaccurate. We will reply within 30 business days of receipt. If we agree with you, we will correct the NPI and notify you and insurance support organizations that may have received NPI from us in the preceding 7 years. We will also, if you ask, notify any person who may have received the incorrect NPI from us in the past 2 years.

If we disagree with you, we will tell you we are not going to make the correction and the reason(s) for our refusal. We will also tell you that you may submit a statement to us. Your statement should include the NPI you believe is correct and the reason(s) why you disagree with our decision not to correct the NPI in our files. We will file your statement with the disputed NPI to be accessible. We will include your statement any time the disputed NPI is reviewed or disclosed. We will also give the statement to insurance support organizations that gave us NPI and to any person designated by you, if we disclosed the disputed NPI to that person in the past two years.

COVERAGE DECISIONS

If we decide not to issue coverage to you, we will provide you with the specific reason(s) for our decision. We will also tell you how to access and correct certain NPI. You may submit a written request for the reason(s) for our decision within 90 business days of our decision. **SUMMARY OF THE LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT
AND
NOTICE CONCERNING LIMITATIONS AND EXCLUSIONS**

INTRODUCTION

Residents of Pennsylvania who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Pennsylvania Life and Health Insurance Guaranty Association (PLHIGA). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Pennsylvania and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is limited, however, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable. Insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

This Information is Provided By:

Pennsylvania Life and Health Insurance Guaranty Association
290 King of Prussia Road
Radnor Station Building 2, Suite 218
Radnor, PA 19087

SUMMARY

The state law that provides for this safety-net coverage is called the Pennsylvania Life and Health Insurance Guaranty Association Act. Below is a brief summary of the law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Coverage.

Generally, individuals will be protected by the Pennsylvania Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage.

Persons holding such policies or contracts are not protected by this Association if:

- they are not residents of the State of Pennsylvania, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Pennsylvania at the time the policy or contract was issued;
- their policy was issued by a nonprofit hospital or health service corporation (e.g., a blue cross or blue shield plan), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- plans of employers, association or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields that exceed an average rate;
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- annuity contracts or group annuity certificates used by nonprofit insurance companies to provide retirement benefits for nonprofit educational institutions and their employees;
- policies, contracts, certificates or subscriber agreements issued by a prepaid dental care plan;
- sickness and accident insurance when written by a property and casualty insurer as part of an automobile insurance contract;
- unallocated annuity contracts issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation;
- financial guarantees, funding agreements or guaranteed investment contracts not containing mortality guarantees and not issued to or in connection with a specific employee benefit plan or governmental lottery;
- any kind of insurance or annuity, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy or annuity maintained by the insurer or by a separate entity.

Limits On Amount of Coverage.

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages.

Subject to the over-all \$300,000 limit, the Association will pay up to \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender or withdrawal values. For annuities, the Association will pay up to \$300,000 in annuity benefits or \$100,000 in net cash surrender or withdrawal benefits. For health insurance, the Association will pay up to \$100,000, including any net cash surrender or withdrawal benefits.
